ADNAN ALRAGHEB

FRONTEND DEVELOPER

PROFILE

I'm a self-taught frontend developer with a passion for creating visually appealing and user-friendly web applications. With strong skills in HTML, CSS, and JavaScript, I bring creative ideas to life through clean, efficient code. I'm eager to contribute to innovative projects and continuously expand my knowledge in web development and design. My background in Unity and C# also enhances my ability to solve complex problems and create interactive user experiences.

WORK EXPERIENCE

- **FreeCodeCamp.org** 2023/2024
Advanced courses in HTML, CSS, and JavaScript
 - Successfully attended a couple of courses of web development and frontend developing at FreeCodeCamp YouTube channel.
 - Managed to apply what's learnt to a real web applications that work successfully as a frontend projects.
